Agnus Dei: # 701

Receiving Holy Communion: *This is the table of Christ made ready for those who love him and for those who want to love him more. So come, whether you have much faith or little, have tried to follow or are afraid you have failed. Come because it is Christ's will that those who want to meet him might meet him here. If you prefer to receive a blessing, please indicate this by placing your arms across your chest. We ask that you not dip the bread into the chalice. If you are not comfortable with the common cup, please receive only the bread. Our tradition says that to receive any part of the Eucharist is to receive the full grace of the Sacrament. (Gluten free bread is available on request).*

Almighty God, we give thanks for all those who work at sea. We acknowledge our need for the food and raw materials they transport. We recognize that they are often in danger and we are sorry that their long absences often involve sacrifices in their daily family life. Give us grace to show our gratitude not only in our words, but also in our actions. Through Jesus Christ our Lord. Amen.

A note about hospital visits: *When visiting the Regional Hospital, George only has access to a list of patients designated St. Luke's or St. John's Anglican. Unfortunately, despite the ongoing efforts of the Council of Clergy and others, on average, only 40% of the patients have any religion listed. In order to receive a visit when in the hospital, please have a family member or friend notify him (at the numbers on the bulletin) that you are in hospital and would appreciate a visit.*
