Receiving Holy Communion: *This is the table of Christ made ready for those who love him and for those who want to love him more. So come, whether you have much faith or little, have tried to follow or are afraid you have failed. Come because it is Christ's will that those who want to meet him might meet him here. If you prefer to receive a blessing, please indicate this by placing your arms across your chest. We ask that you not dip the bread into the chalice. If you are not comfortable with the common cup, please receive only the bread. Our tradition says that to receive any part of the Eucharist is to receive the full grace of the Sacrament. (Gluten free bread available on request).*

Receiving Holy Communion: Our altar is the table not merely of the church but of Christ. It is made ready for those who love him and for those who want to love him more. So come, whether you have much faith or little, have tried to follow or are afraid you have failed. Come because it is Christ's will that those who want to meet him, might meet him here. A note about hospital visits: When visiting the Regional Hospital, George only has access to a list of patients designated St. Luke's or St. John's Anglican.

Unfortunately, despite the ongoing efforts of the Council of Clergy and others, on average, only 40% of the patients have any religion listed. In order to receive a visit when in the hospital, please have a family member or friend notify him (at the numbers on the bulletin) that you are in hospital and would appreciate a visit.

PARISH NEWS

Our Church Gardens- I am looking for a team of volunteers to help maintain our church gardens. Tasks would include planting some annuals, watering, dead heading and weeding. If you are willing and able to assist, please speak to me and we will try to form a casual gardening group.

For those who cannot work in the gardens it would be appreciated if you could buy a few annuals for the church when you are shopping for your own plants. Suggested low maintenance varieties are: sun loving impatiens, geraniums, tall snapdragons and cosmos. God created rainbows and nature is very eclectic so any colours you choose will look lovely. Plant donations can be brought to the church Thursday June 16 or Friday June 17 in the morning. Ring the bell at the front door as they will be put in the front foyer. Thank you. Erminie Reid. Depending on volunteers' schedules and

weather, proposed planting dates are Saturday, June 18, Monday June 20 or Tuesday June 21.

In the first quarter of 2016, St. John's Cupboard provided 801 clients with a minimum of two days basic supplies of food. The support of St. John's congregation as well as that of Hilldale & Our Saviour's Lutheran churches and the Anglican Deanery has been most helpful. We continue to pick up fresh produce, eggs, milk and other supplies at RFDA as available. Cash donations are helpful as they allow our purchasers to acquire goods when they are on sale to offset shortages. Should you be interested in hands on participation in this valuable mission please contact Sharon or Dale Sparkes.

The Anglican Journal, Algoma Anglican, St. John's Lamplighter - there are copies of the most recent editions of these publications at the back of the church. If you have not received copies in the mail and would like one, please take one.
