Receiving Holy Communion: *This is the table of Christ made ready for those who love him and for those who want to love him more. So come, whether you have much faith or little, have tried to follow or are afraid you have failed. Come because it is Christ's will that those who want to meet him might meet him here. If you prefer to receive a blessing, please indicate this by placing your arms across your chest. We ask that you not dip the bread into the chalice. If you are not comfortable with the common cup, please receive only the bread. Our tradition says that to receive any part of the Eucharist is to receive the full grace of the Sacrament. (Gluten free bread is available on request).*

A note about hospital visits: *When visiting the Regional Hospital, George only has access to a list of patients designated St. Luke's or St. John's Anglican. Unfortunately, despite the ongoing efforts of the Council of Clergy and others, on average, only 40% of the patients have any religion listed. Global Day of Prayer to End Famine

Sunday, May 21, 2017

There are more people in the world facing famine today than at any other time in modern history. On this day, people of faith around the world will be praying for the 20 million people across South Sudan, Yemen, Nigeria and Somalia currently suffering from severe hunger, and in some cases, famine.

As part of its East African Appeal, The Primate's World Relief and Development Fund has joined this international ecumenical movement. The Canadian Foodgrains bank, of which PWRDF is a member, is calling on all Christians and churches in Canada to join the Global Day of Prayer to End Famine. It springs from a joint call from the World Council of Churches and the All Africa Council of Churches that says:

"There is great danger that on its current course, the global response to this crisis will be hugely inadequate and will lead to unimaginable suffering and death, which is eminently avoidable. We believe the churches have a prophetic role in calling too mobilizing their members, the wider society and governments, and making a difference during this unprecedented period of suffering."
